Program Requirements and Description

Requirements

Honors Program

Walton College honors program consists of two components: the four-year Walton Scholars Program and the Departmental Scholars Program. Students participating in the honors program will be eligible to graduate *cum laude*, *magna cum laude*, or *summa cum laude*. Students who do not participate in the honors program are eligible to graduate with distinction, a classification separate from the *cum laude* awards. Honors program students will receive priority for participation in the Arkansas Cooperative Education Program, SAKE, the portfolio management class, and financial support for study-abroad programs. They also have access to an honors study area.

Graduation with Honors

The bachelor's degree *summa cum laude* (with highest honors), *magna cum laude* (with high honors), or *cum laude* (with honors) may be conferred only upon those students who have successfully completed the Walton College Honors Program. Both Walton Scholars and Departmental Scholars are eligible for these designations. Students whose cumulative grade-point average place them in the top 10 percent of their graduating class but who have not completed the Honors Program are eligible for the designation "With Distinction" on their official transcript. Among those students completing the Honors Program, the designations *summa cum laude*, *magna cum laude* and *cum laude* shall be determined as follows:

Top 20 percent of students completing the Honors Program: *Summa Cum Laude*

Next 30 percent of students completing the Honors Program: *Magna Cum Laude*

Next 50 percent of students completing the Honors Program: *Cum Laude*

No honors degree will be conferred upon a candidate who has not completed at least 50 percent of his or her degree work at the University of Arkansas or who, in the last four semesters of attendance, has a cumulative grade-point average of less than 3.00 or has received a "D" or "F" in any course in the last semester. Certain other requirements will be outlined on request by the associate dean for undergraduate studies.

Eligibility for the Honors Program

Admission will be offered to incoming freshmen with a minimum ACT/SAT score of 28/1240 or higher and a high school GPA of 3.75. Honors students are required to maintain a cumulative GPA of 3.75 ~~3.50~~ with no grades of "D" or "F" in any course to remain in the program. All honors students are required to meet with the associate or

assistant director for honors programs each semester to monitor progress of honors requirements. Students who maintain a GPA of 3.75 ~~3.50~~ but do not complete honors requirements in a timely manner are subject to removal from the Honors Program at the discretion of the director of the honors program.

Probation Guidelines

Honors Enrollment Exceptions

If students are admitted into the Walton Honors program as first-semester freshmen with the qualifying criteria (3.75 minimum HS GPA and 28 ACT/1310 SAT), and have their HS GPA recalculated to be lower than the qualifying criteria after successful admission, those students will be placed on a one-semester probation during their first semester at the University of Arkansas.

First Time on Probation Students

Members of the Walton Honors program must maintain a cumulative GPA of 3.75 ~~3.50~~ or higher. Should a student's GPA fall below 3.75, ~~3.50~~; that student will be placed on honors probation for the following semester. During this probationary period, the student will retain the privileges of membership in the Walton Honors Program and Honors College, and they will have the chance to raise their cumulative University of Arkansas GPA to 3.75, ~~3.50~~. If at the end of the probationary semester the student's cumulative GPA remains below 3.75, ~~3.50~~, the student will be removed from the Walton Honors program and the Honors College.

Requirements for Walton Scholars Program: ~~College, with the following exception. Students whose semester GPA was above 3.75 during their first probationary semester will be granted a single additional probationary semester.~~

~~If at the end of the second probationary semester the student's cumulative GPA remains below 3.50, the student will be removed from the Walton Honors program.~~ Requirements for Walton Scholars Program: Complete 21 ~~17~~ hours in honors courses with a minimum of 9 hours completed from the following honors business courses: ACCT 2013H, ACCT 2023H, BLAW 2013H, ECON 2013H, ECON 2023H, ISYS 2103H, MGMT 2103H, MKTG 3433H, SCMT 2103H, BUSI 1033H ~~SCMT 2103H~~, or FINN 2043H (excluding BUSI 1111H), WCOB 1033H (excluding WCOB 1111H). Students must complete a minimum of 12 honors hours within the first 30 hours at the Fayetteville campus.

Description and justification of the request

Description of specific change	Justification for this change
<ol style="list-style-type: none"> 1. Increase the maintenance GPA for students in the Walton College Honors Program from 3.5 to 3.75. 2. Increased Honors course requirements from 17 to 21 hours for Walton Scholars (students who join the Honors Program on entering the University) and from 9 to 12 hours for Departmental Scholars (students who enter the Honors Program based on academic performance after entering the University). 3. Added ACCT 2023H, FINN 2043H as Business Core honors classes. 4. Removed the honors foreign language proficiency requirement. 5. Added SEVI 4003H to the list of Walton College departmental honors colloquia. 6. Changed University Core to State Minimum Core. 	<ol style="list-style-type: none"> 1. The percentage of students in the Walton College Honors Program has increased in recent years and is above the desired level. Increasing the maintenance GPA will make remaining in the honors program more challenging and ensure that only our best students graduate with honors. 2. As additional Honors course options have been added to the Walton College Business Core, the number of required hours to qualify for honors has been increased for both Walton Scholars and Departmental Scholars. 3. ACCT 2023H and FINN 2043H have been added as Business Core honors classes. 4. The foreign language proficiency requirement was removed based on benchmarking information that showed that other peer and aspirant business school honors programs do not have a foreign language requirement. After reflecting carefully on available options, the requirement was removed and students will be encouraged to consider a broader range of opportunities (language, study abroad, other courses) to extend their cultural understanding. 5. SEVI 4003H was added as the SEVI Department honors colloquium. 6. Updated University Core to State Minimum Core to reflect the current terminology.
