CLCS 5000V	allcodes	CLCS 50003	CLCS 5000V
	Proposed Effective Date	Fall 2024	Summer 2025
	Course Number	50003	5000V
	Credit Hours	3	1
	Total credits allowed	6	24
	Total completions	2	8
	Are multiple enrollments allowed in a term?	No	Yes
	Justification	Admin update to change WLIT to CLCS for common course numbering conversion.	The department is asking to make this a variable credit hour class and increase the number of total hours students can get credit for the class. Over the course of the last several semesters, they have realized that several students are needing more flexibility in the available internship course through the program.
	Course Code	CLCS 50003	CLCS 5000V
	Maximum Credit Hours		3
	Topics		n/a
	Reviewer Comments		nrgreen - Tue, 17 Dec 2024 15:36:27 GMT - The dean's office supports an exception to the course change pause as the class being 3 credit hours and only repeatable once has caused issues for several students.
HIST 48903	Proposed Effective Date	Fall 2024	Fall 2025
	Are multiple enrollments allowed in a term?	No	Yes
	Create Topic Name?	Yes	No
	Justification		The department wishes to allow students to enroll in this class multiple times in one semester, since a student might get to their final semester and realize that they have only completed 3 of the 6 hrs needed and might need to complete all 6 hrs in one semester. In this case, taking all six hours at once is appropriate. Otherwise, students would need to extend their graduation plan.
	Reviewer Comments		nrgreen - Mon, 27 Jan 2025 13:47:34 GMT - Correction to a class setup. ac087 - Mon, 27 Jan 2025 14:48:41 GMT - Adjusted workflow to include Core Committee, Undergraduate Council and Faculty Senate per Gen Ed Curriculum outcomes.
