ENGL 11103	Proposed Effective Date	Fall 2024	Fall 2025
	Prerequisite(s)	ENGL 10103 and ENGL 10203; or equivalent.	
	Justification		Removing ENGL 10103 and 10203 prerequisite. This change removes unnecessary barriers for students taking this class. This will allow more students to take the course in early semesters both for state minimum core and in the ENGLBA. Changes are part of an ENGLBA program update.
	Reviewer Comments		nrgreen - Tue, 17 Sep 2024 17:06:31 GMT - Gives students in ENGLBA courses to take in major along with ENGL 10103 and 1023 or while waiting for those test scores to post. Part of ENGLBA program update.
ENGL 11203	Proposed Effective Date	Fall 2024	Fall 2025
	Prerequisite(s)	ENGL 10103 and ENGL 10203; or equivalent.

GEOS 46803	allcodes	GEOS 46806	GEOS 46803
	Proposed Effective Date	Fall 2024	Fall 2025
	Course Number	46806	46803
	Off Campus Delivery	Online/Web-based	Distance Education
	Component Type	Applied Instruction	Field Studies
	Credit Hours	6	3
	Catalog Title	Geology Field Camp	Geological Field Methods
	Short Course Title	GEOLOGY FIELD CAMP	GEOLOGICAL FIELD METHODS
	Justification		This change is in correspondence to a change to the Geology BS. The department is trying to make the required summer field experience more accessible to students who cannot take a whole summer for one class. This change from 6 to 3 hours (along with subsequent addition of GEOS 36703 to the GEOLBS) will allow students to get the same amount of field experience as is currently required but will allow them to choose to split it up over multiple summers, if they prefer.

	Course Code	GEOS 46806	GEOS 46803
	Title/Description Change Type		Minor (stylistic/editorial) Change
	Syllabus		GEOS_46803_Syllabus_Summer_2026-v1[1].docx
	Reviewer Comments		nrgreen - Thu, 30 May 2024 18:30:06 GMT - This course change is part of a needed program update, so the ARSC dean's office supports an exception to the course pause. nrgreen - Mon, 17 Jun 2024 14:34:30 GMT - Per Global campus request, updated delivery from "online/web-based" to "distance education". nrgreen - Wed, 04 Sep 2024 20:11:19 GMT - changed component type from Applied Instruction to Field Studies to better match the format of the class.

NURS 32303	allcodes	NURS 23303	NURS 32303
	Course Number	23303	32303
	Justification	This course is part of the new BSN Program plan. The program was redesigned to meet the new Essentials for Nursing Practice (American Association of Colleges of Nursing [AACN], 2021), requiring all BSN and higher Nursing Schools to move to competency based education. These Essentials require 245 sub-competencies to be met and validated by the time a student graduates. AACN houses EMSON's accrediting body. The new Essentials require 245 sub-competencies to be met and validated by the time a student graduates. The new program plan includes all new courses which have been designed to ensure all the sub-competencies are met by program end. This course was also designed to reflect the new NCLEX (Nursing Licensure Exam) test plan(National Council of State Boards of Nursing, 2023).	Changed course number so that RNBN students will have 30 credit hours of 3000/4000 level courses as required by the state. The course number should have been 3000/4000 level to begin with so this does not reflect a change in content.
