Description and justification of the request

Description of specific change	Justification for this change
Revised formatting of the eight semester degree plan. Inserted the General Education language. Also added footnotes and hyper-linked courses for access to course details. AG	To provide consistency with the General Education curriculum language. Footnotes provides list of courses that specifically meets each General Education Outcome on behalf of the college. Changes to ENGL 1033 requirement will need program change to receive campus approval. AG

Description of specific change	Justification for this change
<p>Inserted revised list of courses into footnotes.</p> <p>Also inserted a new footnote for 2.1. AG</p>	<p>Additional courses were approved for General Education after the initial data entry was conducted.</p> <p>A concern was expressed regarding MATH 2554 not being listed to satisfy learning outcome 2.1. The footnote was approved by the Gen Ed and Core Curriculum Committee Chair. AG</p>
<p>Changing CHEM 1103/1101L to CHEM 1123/1121L.</p>	<p>To correct a long-standing error in the catalog. CHEM 1103 is a required course in our curriculum, and therefore should never have been included in the 4 hour science elective list in the first place. The correct class in the list should be CHEM 1123 instead.</p>
<p>Changing PHYS 3603/3601VLto PHYS 3613/361VL.</p>	<p>The request is a recommendation from Physics. According to them, 3603 is designed for BA major and 3613 for BS major. And 361VL is the lab for 3613.</p>
<p>Switched U.S. History or Government State Minimum Core from spring to fall with PHYS 2054.</p>	<p>Physics was moved from first semester to 2nd semester for all programs in the college in an attempt to improve first term retention. A gen ed course was moved to first semester to fill that void.</p>

Alice Griffin (agriffin) (03/01/21 10:03 am): Changed learning outcome 3.4 from Freshman Science Elective to PHYS 2054 and PHYS 2074. Moved individual course options for Humanities from plan into footnote 2. Adjusted footnote 4 to only include Social Sciences course options with permission from submitter.

Alice Griffin (agriffin) (03/01/21 10:43 am): Entered the last three descriptions and justifications in consultation with college.

Alice Griffin (agriffin) (03/01/21 10:45 am): ATTENTION: This minor program change will require campus approval due to the course changes effecting another college.
