Other Requirements for the B.S.H.E.S. Degree in Birth through Kindergarten major:3

Both candidacy and retention eligibility for the Arkansas Birth through Kindergarten Integrated Licensure Program require that students meet a set of criteria listed in the catalog. These include the submission of a transcript showing a cumulative grade point average of at least 3.0, with grades of C or better in all BRKD courses. Students should consult their academic adviser as they near completion of the above requirements to discuss the application process for the Integrated Birth through Kindergarten/Special Education teacher license in Arkansas. Additional requirements for application to teacher licensure with the State of Arkansas Department of Education include: Praxis Core (Reading, Writing, and Mathematics) or qualifying ACT, SAT or GRE scores, Praxis Content: Interdisciplinary Early Childhood Education 5023 & Education of Young Children 5024 and Principles of Learning and Teaching: Early Childhood 5621.

- 1 Please visit the [Bumpers College Majors and Minors page](#) for a list of communication/intensive courses.
- 2 Go to the [State Minimum Core Requirements](#).
- 3 Child Maltreatment Certification must be completed.

8-Semester Plan

Birth through Kindergarten B.S.H.E.S.

Eight-Semester Degree Program

Students wishing to follow the degree plan should go to the [Eight-Semester Degree Policy](#) for university requirements of the program.

Program Goals and
 Objectives

Program Goals and Objectives

Program Goals:

The goal of the Birth through Kindergarten (BRKD) program is to ensure that educators are prepared to teach infants, toddlers, preschoolers, and kindergarteners with and without disabilities. The Birth through Kindergarten program will prepare educators to work in settings that serve young children, including public schools, early intervention programs, child care and education centers, and residential placement centers. The BRKD program will meet the need for a teacher licensure program that leads to Arkansas' Integrated Birth through Kindergarten/Special Education teacher license, as set forth in Arkansas Department of Education Rules Regarding Teacher Licensure

(<http://www.arkansased.gov/public/userfiles/Legal/Legal->

[Current%20Rules/ADE317_Educator_Licensure_EMERGENCY_RULE_SBOE_2015_02_12_](http://www.arkansased.gov/public/userfiles/Legal/Legal-Current%20Rules/ADE317_Educator_Licensure_EMERGENCY_RULE_SBOE_2015_02_12_)

Approved.pdf).

Program Objectives:

BRKD students are expected to:

1. Identify and describe accurate and evidence-based knowledge of the bio-ecological context of child development to include being knowledgeable and accepting of the diversity in the lived experiences of children and families.
2. Demonstrate the ability to identify and address complex social problems by forming solutions that are contextually appropriate and feasible.
3. Critically analyze, evaluate, and synthesize information, ideas, and beliefs in the process of forming conclusions and solutions to complex social issues and problems.
4. Be proficient in writing, making presentations, and evaluating human service programs and/or social contexts.
5. Demonstrate the application of their evidence-based knowledge of diversity, engaging in effective and appropriate interactions across the birth – kindergarten years. Their behaviors, attitudes, and interactions demonstrate that they have the cultural competency needed to work effectively cross-culturally.

Program Goals and Objectives

6. Identify ethical issues and dilemmas, reflect on their own core values, and apply them to complex social problems.

Learning Outcomes

Learning Outcomes

Student Learning Outcome 1: Students will identify and describe accurate and evidence-based knowledge of the bio-ecological context of child development to include being knowledgeable and accepting of the diversity in the lived experiences of children and families.

Student Learning Outcome 2: Students will formulate contextually appropriate and feasible policy solutions addressing complex social problems.

Student Learning Outcome 3: Students will be able to critically analyze, evaluate, and synthesize information, ideas, and beliefs in the process of forming conclusions and solutions to complex social issues and problems.

Student Learning Outcome 4: Students will be proficient in (a) oral and (b) written communication.

Student Learning Outcome 5: Students demonstrate the application of their evidence-based knowledge of diversity, engaging in effective and appropriate interactions across the birth – kindergarten years. Their behaviors, attitudes, and interactions demonstrate that they have the cultural competency needed to work effectively cross-culturally.

Student Learning Outcome 6: Students will identify ethical issues and dilemmas, reflect on their own core values, and apply them to complex social problems.

Description and justification of the request

Description of specific change	Justification for this change
<p>Added "or STAT 2303" as option for HDFS 4773 Research in HDFS: Statistical Approaches in BRKD core requirements.</p> <p>Added MATH 1203, pre-req for STAT 2303, as specification to core requirements.</p> <p>(Please note that some clean up of minor errors are noted in the check sheet/8 semester plan word documents that reflect changes already present in the system. Ex: Name change of Analytical Approaches to Research Methods on HDFS. Please contact me with any questions: lkherold@uark.edu)</p>	<p>STAT 2303 is sufficient to prepare those BRKD majors who seek to become licensed early childhood educators and work in the classroom to read and understand studies in the field of Education. Those who aim to apply to a Masters program can choose to the HDFS 4773. Adding this option for students will resolve an issue with HDFS 4773 often conflicting with student teaching/internship placements, especially for transfer students from other majors and other institutions.</p>

Description of specific change	Justification for this change
Revised formatting of the eight semester degree plan. Inserted the General Education language. Also added footnotes and hyper-linked courses for access to course details, by AG.	To provide consistency with the General Education curriculum language. Footnotes provides list of courses that specifically meets each General Education Outcome on behalf of the college by AG.

Reviewer Comments

Alice Griffin (agriffin) (10/12/20 3:25 pm): Changed University Core to State Minimum Core in program requirements, footnote 2 for consistency in catalog language.

Alice Griffin (agriffin) (10/12/20 3:38 pm): The General Education changes may be processed administratively. However, due to the addition of STAT 2303, the request must be submitted through the campus approval process.

Alice Griffin (agriffin) (10/12/20 3:40 pm): Recommending college replace University Core language with State Minimum Core in attached plans.
