Description and justification of the request

Description of specific change	Justification for this change
<p>Students are required to choose six hours from a list of three courses (HDFS 34203; HDFS 34403; HDFS 34503) instead of choosing from a much larger list of HDFS upper-level courses.</p>	<p>This change still allows students who are minors in HDFS to take core courses and key upper-level courses in HDFS and be awarded the minor. In addition, the change will reduce enrollment in key courses that are being marked for HDFS majors only. Reducing those class sizes enables higher level instruction for HDFS majors.</p>
