Justification for this
request
   The Management, Bachelor of Science in Business Administration included two concentration
areas: students could select a concentration in Human Resources Management or
Organizational Leadership. Faculty in the Management Department determined that students
needed a deeper and broader curriculum to support these disciplines and better prepare
students for employment in these areas. As a result, the Management Department is proposing
that the current Management, Bachelor of Science in Business Administration degree be
replaced with two separate degree programs in Human Resources Management and
Organizational Management and Leadership.

On-line/Web-based Information

Reason for offering Web-based Program	The market has moved to online programming to supplement face-to-face courses and/or add to a college's educational offerings. More and more of our peer and aspirant colleges of business have moved to some form of online programming (see for example, http://www.businessinsider.com/harvard-business-school-online-courses-2013-10). In addition, offering a degree online strategically positions the College to capture new markets (e.g., students abroad, degree completion, transfer students and adult learners).

Program Requirements and Description

Requirements

All management majors must complete MGMT 4243 Ethics and Corporate Responsibility. An additional 21 hours of credit are required for students majoring in management. Six of these credit hours are specified in the concentration. Beyond this, students can choose from specified management and non-management courses in order to complete the requirements for the major.

Management Major Requirements

The major in management requires 24 hours of major and collateral courses in the discipline as well as satisfying the other requirements for the B.S.B.A. degree. A maximum of 27 hours is allowed in a management major or discipline field of study (i.e., core, major, electives) unless the extra courses are part of an interdisciplinary minor or collateral track. See an adviser for selection of courses.
