## Program Requirements and Description

---

Requirements

### **R.N. to B.S.N. Program (NURSBS-RNBN)**

#### **Admission Policies**

**Complete university admission requirements.**

**Complete R.N. to B.S.N. Program application with supporting R.N. licensure documentation and practice experience verification as indicated below.**

**R.N.s with 12-months or greater since nursing program completion:**

**Documentation from current and/or recent employer(s) where applicant is hired as an R.N. including institution or organization name, address, and supervisor contact information, area or unit of service, position title, and employment status (e.g. full-time, part-time, per diem). Applicants should include documentation of one of the following:**

**Employer verification of 1,000-R.N. practice-hours completed within 12-24 months of beginning the program. Completion of a state board of nursing approved R.N.-refresher courses within 12-24 months fo beginning the program.**

**Nursing students enrolled in final semester of an accredited nursing program may be eligible for conditional program admission pending R.N. licensure. Supporting documents required with program application are listed below:**

**A letter of good standing from the director or dean of the respective nursing program from which the applicant is transferring from.**

**In addition, students may enroll in a maximum of 6 credit hours of course work within the R.N. to B.S.N. program of study and enrollment duration may not exceed one (1) academic semester or 6 months following Pre-R.N. Licensure program completion.**

Complete pre-admission advising with online B.S.N. academic counselor to evaluate general education requirements. It is preferred that all prerequisite courses be complete. Students missing credit hours will be considered on an individual basis. If approved for conditional admission, the missing credit hours must be completed in the beginning of the program of study. All students must have completed all 6 hours of English prior to admission.

Completion of an accredited and state board approved R.N. program.

Verification and maintenance of, unencumbered licensure to practice as a R.N. in Arkansas and /or any other state. Not all state boards of nursing will accept outside of state education. See program website for current list of allowed states.

Credit for courses listed below will be held in escrow. The student will receive credit for these courses upon successful completion of the program.

Total Hours	120

1 Denotes required nursing pre-requisite courses.

**NOTE: Requirements NOTE:** The minimum number of hours required to receive a baccalaureate degree at the University of Arkansas is 120 semester hours. The Nursing major is exempt from the eight-semester degree plan since the program is admissions-based. There is no guarantee that a student meeting the minimal GPA requirement will be admitted. Please refer to the [College of Education and Health Profession's website](#) for specific information related to the admission criteria.

### **Progression, Withdrawal, and Dismissal**

**For progression in the nursing program, only grades of "C" or above will be accepted. Students who make less than a "C" may not progress into courses for which that course is a prerequisite until the course is repeated and the required minimum grade attained.**

**If a student earns a "D" or "F" in a course, the course may be repeated once. The course must be passed on the second attempt. If a student earns a "D" or "F" in a second course, the student will be dismissed from the program and may not be eligible for re-admission.**

**If the student does not earn a grade of at least "C" upon repeating the nursing courses, the student may not enroll in any nursing courses or continue in the School of Nursing or be eligible for re-admission.**

**If a student withdraws from a course, the course may be repeated. No more than two (2) withdraws from the same course will be allowed. If not passed in the third attempt, the student will be dismissed from the program.**

**The one (1) "D" policy includes only nursing courses.**

### **Didactic/Clinical Practicum Courses**

**A student who needs to repeat a course must make petition to the Student Affairs Committee in nursing and are encouraged to do so as soon as they are aware of the need to repeat a course.**

**Students will be readmitted on a space-available basis according to the following priority system:**

#### **Priority Groups for Placement in Required Courses**

**First Priority - Continuing full-time students in good academic standing.**

**Second Priority - Continuing part-time students in good academic standing.**

**Third Priority - Students repeating a course due to an academic or clinical failure.**

**Spaces in clinical practicum courses are limited and tightly controlled by accreditation, the State Boards of Nursing, and clinical agency policies. Space in Didactic courses are limited to space available. A student re-enrolling in a Clinical Practicum Course (whether due to illness, course failure, or other reasons) will not be assured a clinical placement space in subsequent courses.**

**NOTE: Readmission will not be considered for any student dismissed from the School of Nursing who obtained a "D" or "F" in one (1) nursing course and was unable to make a "C" or better upon repeating this course. Also, a student dismissed from a Clinical Practicum Course due to safety, ethical, or dishonesty issues will be administratively withdrawn from a course, and may be subject to administrative withdrawal from the School of Nursing following a full review. Readmission is not guaranteed to these students.**

**Students should note that a flagrant or established patter of disregard to Eleanor Mann School of Nursing policies can result in a failure of the course and/or dismissal from the program without prior warnings. (see Forms page for performance improvement plan guidelines)**

### **Readmission Policies**

Any student whose enrollment in the professional program of study has been interrupted may seek readmission following the steps below:

Seek readmission into the University of Arkansas (if applicable).

Complete Readmission Application to the School of Nursing (Readmission is limited by space availability).

Readmission will not be considered for any student dismissed from the School of Nursing who obtained a "D" or "F" in one (1) nursing course and was unable to make a "C" or better upon repeating this course or who was dismissed from a Clinical Practicum Course due to safety, ethical, or dishonesty issues. Exceptions to this policy will be considered by the Student Affairs Committee in nursing on an individual basis.

#### Exit Policies

Students must complete the requirements for the degree within five (5) years of enrolling in the first upper-level nursing course. If the student does not complete the Professional Program of Study within the five (5) year limit, nursing credits must be reevaluated.

All University of Arkansas requirements must be met.

NOTE: In addition to the program requirements, students must meet the university and college graduation requirements. This curriculum is subject to change to comply with national accreditation and the Arkansas State Board of Nursing Standards.

#### 8-Semester Plan

##### R.N. to B.S.N. Program (NURSBS-RNBN)

The nature of the R.N. to B.S.N. major excludes it from ACT 1014 eight-semester degree-completion program requirements. The degree is a 120 hour degree in accordance with ACT 747.

Presented below is a typical plan for completing this degree in four semesters; individual student plans may vary significantly.

Students are not required to complete courses during the summer, but courses may be offered. Students may be able to finish the program sooner if they enroll in summer courses.

## Description and justification of the request

Description of specific change	Justification for this change
The RN-BSN online option curriculum will remain the same with updated course titles reflecting appropriate terminology with the addition of LPN's enrolled in the same courses	The addition of an LPN-BSN online option is being added. The online option is needed to facilitate enrollment of LPN's in the BSN program. The current LPN-BSN option is offered only in the traditional format and enrollment has traditionally been very low. (There is only 1 LPN enrolled currently.) Moving this option to online will help reach working LPN's who need flexibility in their schedule and the LPN's in rural areas of Arkansas and beyond. Currently, Eleanor Mann offers an RN-BSN online option, and it has been very successful. RNs from all over the State of Arkansas and beyond have enrolled and obtained a BSN in this program. The RN-BSN online option curriculum will remain the same with updated course titles reflecting appropriate terminology with the addition of LPN's enrolled in the same courses

## Reviewer Comments

**Alice Griffin (agriffin) (10/24/18 9:49 am):** Removed School of Continuing Education and Academic Outreach language from admission information. Global Campus is sufficient for the name of the organization.

**Alice Griffin (agriffin) (10/24/18 11:12 am):** Revised justification with input from School/College.

**Alice Griffin (agriffin) (10/24/18 12:01 pm):** Uploading revised copy of LON with input from School.

**Alice Griffin (agriffin) (10/25/18 2:43 pm):** Revised LON and Outcomes Matrix. Renamed documents to match BOT naming convention.

**Lisa Kulczak (lkulcza) (10/26/18 10:21 am):** May need to tweak catalog copy regarding the various options/paths to getting a BSN. These will definitely not be called concentrations going forward, per discussion between NURS, the Provost's Office and Registrar's Office; however, CourseLeaf does not yet provide the appropriate choices to accurately reflect this decision.
