Alice Griffin (agriffin) (12/06/16 5:06 pm): AGEC 4603 Food Economics and Health is in the approval chain, currently pending UCPC and Faculty Senate approval. I removed this language from the catalog copy. As the course will be approved in time for fall 2017 catalog.

Alice Griffin (agriffin) (12/07/16 2:38 pm): Changed effective date from fall 2016 to fall 2017.

Lisa Kulczak (lkulcza) (12/07/16 2:48 pm): Rollback: Can you clarify with the department what's up with AGEC 4603?

Alice Griffin (agriffin) (12/19/16 2:43 pm): Rollback: Please clarify the use of AGEC 4603. It is listed twice in the requirements. Does it only impact ABMM or all three concentrations? Also, please remove approval language from catalog copy and place in description and justification field.

Michael Evans (mrevans) (02/09/17 3:18 pm): Changed to no on adding, deleting or changing a concentration.

Alice Griffin (agriffin) (02/09/17 3:28 pm): Removed pending approval comment from course list, but it still appears in the second grouping in the catalog copy. Please review and remove before publishing. Thank you.

Alice Griffin (agriffin) (05/09/17 4:54 pm): Changed effective catalog to fall 2018. Request did not complete the approval process in time to be effective for fall 2017.

Alice Griffin (agriffin) (08/23/17 1:29 pm): Provided information for new fields from summer upgrade. Changed response to interdisciplinary to no. Replaced response from previous interdisciplinary field to impact any courses from another college field. Inserted total number of hours for program. Inserted statement in the justification field.
