## Description and Justification for this request

Description of request	Justification for request
<p>Creation of two concentration options:</p> <ol style="list-style-type: none"> <li>1. Lifespan Development in Diverse Contexts</li> <li>2. Child Life</li> </ol> <p>Reduction of HDFS Core from 55 credit hours to 37 credit hours.</p> <p>Replace PSYC 2003 with ANTH 1023 as a Social Science option.</p> <p>Replace HDFS directed elective hours with general elective hours.</p>	<p>Student and industry demand has indicated a change in the HDFS curriculum. These changes include a reduced HDFS Curriculum Core, the creation of two concentrations, and more elective options.</p> <p>It is proposed to add a concentration in Child Life to the HDFSBS program to better meet the increasing interest of current and future students in careers as a Child Life Specialist.</p> <p>The courses in the proposed concentration were selected because they, along with the State Minimum Core and the HDFS core, meet the specified academic competencies for applying to become a Certified Child Life Specialist by the Association of Child Life Professionals.</p>

## Reviewer Comments

**Alice Griffin (agriffin) (09/26/22 10:47 am):** Adjusted the formatting in fourth year fall for HDFS 4213 & HDFS 4212L or HDFS 4223 & HDFS 4222L. College is encouraged to review for accuracy.

**Doug Miles (dmiles) (09/27/22 4:16 pm):** Changed CIP code from 19.0706 to 19.0701 - concentration CIP code must match major program code.
