College Admissions Requirements

Students seeking admission to the Fulbright College of Arts and Sciences must meet the general requirements for admission to the university. In addition, students are expected to present two units (years) of a single modern or ancient world language. Those unable to meet this standard will be expected to begin their collegiate world language study as soon as possible after matriculation. For these students, completion of one semester of language study will be considered to satisfy the admission deficiency. Students transferring from other colleges at the University of Arkansas or from other institutions are expected to meet the same entrance standard.
