Description and justification of the request

Description of specific change	Justification for this change
<ul style="list-style-type: none">- Add ISYS 1123, Business Application Knowledge to first year, fall semester, 8 semester plan- Delete ISYS 1120, Computer Competency Requirement from first year, fall semester, 8 semester plan- Delete 3 hours of general education elective from third year, fall semester, 8 semester plan- Add US History or Political Science - University Core to third year, fall semester, 8 semester plan	<p>Pre-assessment exam scores for incoming freshmen over the past several years have been consistently indicating that only 4% of incoming freshmen have sufficient IT competency (coming out of their High School program) for Walton College courses. Therefore, most incoming Walton freshmen are required to take ISYS 1123, Business Application Knowledge in lieu of ISYS 1120, Computer Competency Requirement which currently does not count toward their degree. This change deletes ISYS 1120 as a pre-business requirement and incorporates ISYS 1123 as a pre-business and degree requirement. Additionally, reducing the total number of General Education Electives from 12 hours to 9 hours.</p>

Reviewer Comments

Alice Griffin (agriffin) (01/21/20 9:51 am): Inserted 15 credit hours in total hours field. Also, added six hours to the comment in the requirements field so that the correct total hours of 15 (from 9) would be reflected.

Alice Griffin (agriffin) (01/21/20 9:54 am): Switched out course and changed it to a comment for the US/PLSC University Core credit in the third year. This action will remove the red error box.

Alice Griffin (agriffin) (03/30/20 3:35 pm): Changed effective date from fall 2020 to fall 2021. It is too late to complete the approval process by the catalog deadline.
