On Campus
Online/Web-based

Is this program interdisciplinary?
No

Does this proposal impact any courses from another College/School?
No

What are the total hours needed to complete the program?
15

On-line/Web-based Information

Reason for offering
Web-based Program
Due to the demand for leaders and managers in the hospitality industry, more students are seeking the minor in hospitality management. Many seeking the minor are UofA students, but off campus. This online offering will assist them in acquiring the knowledge they are seeking. Courses will have same learning outcomes regardless of the delivery method.

Program Goals and Objectives

Program Goals and Objectives

• The minor in Hospitality Management will allow students across the University of Arkansas to enhance their major degrees with additional exposure to a program that prepares students to lead and succeed in one of the world's largest and most exciting industries.
• The hospitality management program integrates foundational business principles with innovative concepts related directly to the distinct industry of tourism and hospitality.
• The required courses serve to provide students an overview of different foundational elements of the industry, in addition, the course offer more in-depth exposure of the support segments across a number of sectors within the industry.

Learning Outcomes

Learning Outcomes

• Students will have foundational knowledge of the hospitality industry including food service, lodging and other hospitality venues.
• Students will understand how to manage venues, and best practices for customer service.
• Students will understand hospitality management from a financial, economic, marketing and management point of view.
• Students will be able to use analytical, technical and critical thinking skills to organize and communicate in their business environment.
• Students will be able to analyze, understand, and solve human resource problems and challenges.
