8-Semester Plan

Recreation and Sport Management with Sports Administration Concentration

Nine-Semester Plan

The Sports Administration Concentration in Recreation and Sport Management is exempt from eight-semester degree plans because students are recommended to register for [RESM 440V](#) Internship after the completion of their course work and the sport management agencies have their busiest season in the summer. The following nine-semester plan, however, will guide students who wish to graduate in four years.

1

Students must complete the [State Minimum Core requirements](#) as outlined in the Catalog of Studies. The courses that meet the state minimum core also fulfill many of the university's [General Education requirements](#), although there are additional considerations to satisfy the general education learning outcomes. Students are encouraged to consult with their academic adviser when making course selections.

2

Students must earn a 'C' or better in this course to be awarded degree credit.

3

If [ECON 2013](#) and [ECON 2023](#) are taken, reduce RESM-related electives by 3 hours to meet 120.

Arkansas universities with a sport management program: Arkansas State University, Southern Arkansas University, Ouachita Baptist University, & UALR.

Why is the Program
needed if offered at
other institutions?

Sport management and administration is a rapidly growing field and industry. It is crucial for the state's flagship university to offer students the opportunity to receive education in this field. Further, it is important for the state's flagship university to provide scholarship in this expanding area. It is natural and appropriate for an SEC member university to offer a sport management/administration course of studies.
