All students seeking licensure in the state of Arkansas are subject to a criminal background check. Forms for this procedure may be obtained at the office of the Teacher Certification Officer, at the State Department, or any police station, including the campus police. These background checks take up to six months to process; therefore, students are advised to complete and submit the forms to the proper authorities six months in advance of actually applying for a license. Arkansas will not certify anyone who has been convicted of a felony. Although not required for the Kinesiology concentration in Physical Education, Wellness and Leisure, students seeking coaching endorsement will need to take [PHED 40001](#), take the appropriate standardized exams (ACT, SAT, GRE, or PRAXIS core) as designated by the Arkansas State Department of Education, and make a "C" or better in all courses required by the University of Arkansas for the Coaching Endorsement. Please see the [College of Education and Health Professions PDF](#) for these specific course numbers.

Student Dismissal Policy based on Unethical/Unprofessional Behavior

The University of Arkansas' teacher preparation programs adhere to the Code of Ethics of the Education Profession as established by the National Education Association as described in [NEA Code of Ethics](#), [Arkansas Division of Elementary and Secondary Education Code of Ethics](#), as well as discipline specific codes of ethics and standards found in program handbooks. Violation of these principles may result in probation, suspension, or dismissal of the internship as described:

Any incident of ethical misconduct or concern will be documented by the faculty member(s), discussed directly with the student and their mentor, and referred to the program's coordinator or supervising faculty. It may also be reported to the Teacher Candidate Professional Review Committee.

The Teacher Candidate Professional Review Committee evaluates the concerns and recommends a course of action, which may range from a zero score on the academic and/or internship work, a failing grade for the course, probation, up to dismissal from a teacher education program.

Any candidate may be suspended by a Teacher Education Program Coordinator for extreme, unforeseen circumstances such as endangerment of students or others, disruption of schools or classes, felonious behaviors, or ethical violations (i.e., Arkansas Code of Ethics, Code of Student Life). Such suspensions will be referred to the Teacher Candidate Professional Review Committee for review and may become permanent.

The Program Coordinator, in consultation with the Teacher Education Professional Review Committee and the Dean's Office for Academic and Student Affairs in the College of Education and Health Professions, has the authority and responsibility to dismiss a student from the teacher education program for unethical or unprofessional behavior and/or not recommend the student for licensure. More detailed guidelines about the policies, supports, and other requirements are provided in the program's handbook, as well as on the [Office of Teacher Education website](#) or the [Teacher Education Support page](#).

Students who have been dismissed on the basis of unethical or unprofessional conduct may appeal the decision following the procedures outlined under the [Student Grievances and Appeals section of the Undergraduate Catalog of Studies](#).

Reviewer Comments

Lisa Kulczak (lkulcza) (11/01/24 10:00 am): Rollback: Rolling back for additional edits to include licensure revision as the reason and uploading DESE paperwork.

Matthew Ganio (msganio) (11/01/24 6:18 pm): Rollback: For the Letter of Notification (LON) we need a statement that is the "Reason for Proposed Action". If you provide that via e-mail, I will fill out the form. Below is example language. Also please confirm the DESE paperwork is attached. Best, Matt We are revising the curriculum to comply with new Department of Elementary and Secondary Education guidelines teacher preparation programs. Course changes occurred to increase the number of hours of residency and update courses to reflect current research and practice. The course changes were made so the program could continue to prepare quality teacher candidates who are able to pass all licensure exams and to be highly sought after for a teaching position.

Lisa Kulczak (lkulcza) (11/04/24 9:44 am): ATTENTION REGISTRAR: Due to the curriculum revisions required for licensure, this proposal will also need BOT/ADHE approval. Please adjust the workflow to include UTEB and DESE.
