Program Requirements and Description

Requirements

Stage II: Admission to the B.A.T. Program

Admission to the Bachelor of Arts in Teaching program (B.A.T.) in the five content areas occurs the semester after the candidate has completed all pre-B.A.T. requirements including the first three courses in education — [CIED 1013](#), [CIED 1003](#), and [CIED 2083](#) — prior to a student entering the individual program of study the following fall term. The B.A.T. program is competitive, and meeting the minimum requirements does not guarantee admission to the program. Applications to the B.A.T. program must be submitted by [deadlines stated on the Office of Teacher Education website](#). **January 30:**

The application process includes:

Students must complete the application to teacher education (see the [Teacher Education Application Fee](#)) through the Teacher Education Office during [the time period stated on the Office of Teacher Education website](#). **spring semester of sophomore year.** This includes completing and passing the criminal background [check](#).^{*} ~~check* and also passing Praxis Core academic subjects test or equivalent tests by meeting or exceeding the Arkansas Department of Education cut-off scores.~~ Submission of B.A.T. application.

Submission of writing sample to content area faculty.

Submission of transcripts for all coursework.

*

Another background check will be required prior to graduation in order to be eligible for licensure.

Stage III: Requirements for Program Continuation and Internship

Maintain a cumulative GPA of 3.0 or better.

All professional education courses and content courses must have a grade 'C' or better (except [SEED 3283](#) below). No teaching methods courses may be taken as self-paced (correspondence) courses.

Stage IV: Requirements for Internship Semester (spring, senior year) and Program Completion

All students in the B.A.T. program must complete the following requirements prior to being admitted to the spring semester of their senior year.

Students must earn a "B" or better in the fall semester, senior year [SEED 3283](#) practicum course.

Earn a cumulative GPA of 3.0 or better by the end of the fall semester, senior year. Students are not permitted to intern in the spring if the GPA requirement is not met.

Students must have taken the appropriate Praxis II-Content Knowledge exam to be admitted to the spring semester, senior year.

Candidate must complete a successful "internship admission interview" with B.A.T. faculty. Note these interviews are scheduled with all senior students during the fall semester.

Satisfactorily complete the internship/student teaching experience that has been approved by the Director of Field Placement.

All students seeking licensure in the state of Arkansas are subject to a criminal background check. Background checks can take up to six months to process; therefore, students are advised to complete and submit the forms to the proper authorities at least six months in advance of graduation (or six months prior to applying for a teaching license). Arkansas will not grant a teaching license to anyone who has been convicted of a felony.

Dismissal based on Unethical or Unprofessional Behaviors from the B.A.T. program

The University of Arkansas' teacher preparation programs adhere to the Code of Ethics of the Education Profession as established by the National Education Association as described in [NEA Code of Ethics](#), [Arkansas Division of Elementary and Secondary Education Code of Ethics](#), as well as discipline specific codes of ethics and standards found in program handbooks. Violation of these principles may result in probation, suspension, or dismissal of the internship as described:

Any incident of ethical misconduct or concern will be documented by the faculty member(s), discussed directly with the student and their mentor, and referred to the program's coordinator or supervising faculty. It may also be reported to the Teacher Candidate Professional Review Committee.

The Teacher Candidate Professional Review Committee evaluates the concerns and recommends a course of action, which may range from a zero score on the academic and/or internship work, a failing grade for the course, probation, up to dismissal from a teacher education program.

Any candidate may be suspended by a Teacher Education Program Coordinator for extreme, unforeseen circumstances such as endangerment of students or others, disruption of schools or classes, felonious behaviors, or ethical violations (i.e. Arkansas Code of Ethics, Code of Student Life). Such suspensions will be referred to the Teacher Candidate Professional Review Committee for review and may become permanent.

The Program Coordinator, in consultation with the Teacher Education Professional Review Committee and the Dean's Office for Academic and Student Affairs in the College of Education and Health Professions, has the authority and responsibility to dismiss a student from the teacher education program for unethical or unprofessional behavior and/or not recommend the student for licensure.

More detailed guidelines about the policies, supports, and other requirements are provided in the program's handbook, as well as on the [Office of Teacher Education website](#) or the [Teacher Education Support page](#). Students who have been dismissed on the basis of unethical or unprofessional conduct may appeal the decision following the procedures outlined under the [Student Grievances and Appeals section of the Undergraduate Catalog of Studies](#).

Why is the Program needed if offered at other institutions?

Students are opting for degrees that offer a career path in four years. Faculty and administration in the College of Education and Health Professions believe that a four-year humanities program in pedagogy, content, and field experiences will lead more students into choosing teaching as a career and fill the shortages we have across the state with professionally prepared teachers.
