On-line/Web-based Information

Reason for offering

Web-based Program

By virtue for the Online BSBA in Accounting, all courses for the Accounting minor for Non-Business majors are currently available online. Offering the online minor for Non-Business majors provides an opportunity for students in the Walton College online programs (General Business and Supply Chain Management) and students in the Interdisciplinary Major online program to earn a minor in Accounting.

Estimate Costs of the
Program over the
First 3 Years

No additional instructional costs will be incurred for the Online Minor in Accounting. The courses required for the Online Minor in Accounting are already being offered for the Online BSBA in General Business, the Online BSBA in Accounting. The on-line sections are also available as options for the on-campus degree-seeking students, as allowed under University requirements. Future direct costs

over the course of the next three years will include the costs to refresh the online courses (approximately 9 courses over the next 3 years at \$4,000 per course = \$36,000). Costs will be paid for by the revenue generated from the Online BSBA in Accounting.

Alice Griffin (agriffin) (10/17/18 2:03 pm): Rollback: Please change delivery mode of program to online offering.

Alice Griffin (agriffin) (10/31/18 1:20 pm): ATTENTION REVIEWERS: ADHE has recently announced that minor programs do not need their approval for changes. As such, there is no need for the LON 13 with this current proposal.
