Justification for this
request

This is an inactivation of the departmental writing requirement in conjunction with a college
wide change to remove the Fulbright Writing Requirement. This does not change established
program/specific course requirements for students. This change coincides with the update to
the "ARSC College Academic Regulations", which remove the Fulbright Writing Requirement on
the basis that it is redundant to departments assessing General Education Learning Outcome
(GELO) 6.1.

Program Requirements and Description

Requirements

Writing Requirement: The college writing requirement is fulfilled by submitting an acceptable research/analytical paper to the department for approval at least four weeks prior to graduation. The paper may be derived from completion of an honors essay (PLSC 499HV), a senior thesis (PLSC 4980V), or some other advanced course in political science. The student is urged to consult with his or her faculty adviser no later than early in the first semester of the senior year.

   Reviewer Comments

   Lisa Kulczak (lkulcza) (11/25/24 10:28 am): Departmental writing requirement deletions do not require off-campus approval; workflow has been adjusted accordingly.

   Lisa Kulczak (lkulcza) (11/25/24 10:44 am): Adjusted dates for "No new students admitted after" and "Allow students to complete through" based on email from dean's office.
