Program Goals and

Objectives

**Program Goals and Objectives**

**The Program's goal is to allow students to develop the craft and skills necessary for careers requiring knowledge of history, critical analysis, and research, including teaching, law, government, and private business organizations. The global scope of the program allows students to pursue their interest in a particular region, time, period, or culture, while also being exposed to cultural diversity and contextualization in an increasingly interdependent world.** ~~New faculty members have broadened our curriculum~~

Learning Outcomes

### Learning Outcomes

**Research skills, analytical skills, intercultural competency, and global learning.** ~~Changes proposed will add geographical breadth to our offerings.~~

#### Description and justification of the request

Description of specific change	Justification for this change
<p>The HISTORY BA no longer requires as mandatory for all majors the attainment of proficiency in one World Language at the Intermediate Level II. Students may now choose to take any four classes from a broad menu intended to provide them with multicultural and interdisciplinary competency, whether in the form of foreign language proficiency, or a course selection from area studies and other disciplines in the humanities or social sciences.</p> <p>The eight semester plan is thus changed accordingly, as shown in the attached file</p>	<p>A) To maintain a multicultural exposure of our majors while giving them the option of choosing between introductory courses in various disciplines and area studies and/or proficiency in one foreign language.</p> <p>B) to coordinate our program with the new program for a Bachelor of Arts in Teaching offered by the College of Education and Health Professions, allowing students to complete, within an eight semester plan of 120 credit hours, their B.A.T. in Social Studies, while majoring in History.</p>

#### Reviewer Comments

**Alice Griffin (agriffin) (02/23/18 1:20 pm):** Rollback: Program requirements does not distinguish between track A and track B. In addition, both tracks need to be identified in the eight semester plan. Also, please change effective date to fall 2019 and total hours for degree should be 120. Please visit with Ryan Cochran to assist in making the edits.

**Jeannine Durdik (jdurdik) (03/02/18 2:21 pm):** Rollback: More to do first.

**Alice Griffin (agriffin) (03/19/18 1:16 pm):** Rollback: Please review the correspondence from 3-15-2018 for revisions.

**Alice Griffin (agriffin) (09/28/18 9:12 am):** Rollback: Rolling back at the request of submitter.

**Alice Griffin (agriffin) (10/01/18 1:54 pm):** In the eight semester plan, inserted 3 credit hours for the HIST 4000 level and changed General Electives from 9 to 6 credit hours with assistance from Ryan Cochran.

**Alice Griffin (agriffin) (10/01/18 1:58 pm):** Please note, what first appears to be major changes (in green) is based on the college inserting University Core Requirements into the program requirements field in order to assist in making the catalog copy more transparent with overall requirements. This request is considered a minor program change.

**Alice Griffin (agriffin) (10/01/18 2:08 pm):** Removed inactive courses from program requirements.

**Ryan Cochran (rcc003) (10/11/18 1:20 pm):** Entered MATH 1313 as an option in the eight-semester degree plan, per the Math Pathways Committee.
