Description and justification of the request

Description of specific change	Justification for this change
	Pre-assessment exam scores for incoming
- Add ISYS 1123, Business Application Knowledge to first	freshmen over the past several years have been
year, fall semester, 8 semester plan	consistently indicating that only 4% of incoming
- Delete ISYS 1120, Computer Competency Requirement	freshmen have sufficient IT competency (coming
from first year, fall semester, 8 semester plan	out of their High School program) for Walton
- Delete 3 hours of general education elective from third	College courses. Therefore, most incoming
year, spring semester, 8 semester plan	Walton freshmen are required to take ISYS 1123,
- Add US History or Political Science - University Core to	Business Application Knowledge in lieu of ISYS
third year, spring semester, 8 semester plan	1120, Computer Competency Requirement
	which currently does not count toward their
	degree. This change deletes ISYS 1120 as a pre-
	business requirement and incorporates ISYS
	1123 as a pre-business and degree requirement.
	Additionally, reducing the total number of
	General Education Electives from 12 hours to 9
	hours.
