Are Similar Programs available in the area?

Yes

List institutions in Arkansas offering similar programs

N.A. Existing Program ~~There are no other Arkansas schools offering a Bachelor of Music with a Jazz Track as we plan to do. A few others, such as UA Fort Smith and UA Monticello offer a B.A. in Music with a Jazz Concentration.~~

Why is the Program needed if offered at other institutions?

N.A. Existing Program The Jazz Track will further establish the University of Arkansas Music Department as a leader in the range and quality of its music offerings, and its commitment to American music. Four recent faculty hires have a jazz specialty. Along with two other jazz faculty, our department has become an excellent institution at which students can study jazz, and enables us to offer a Bachelor of Music degree unlike other Arkansas schools which offer a B.A. Our jazz offerings have grown in the past two years, and we can channel our new strength into this jazz track. Along with the fabulous jazz performers on our faculty, our department is the only one in Arkansas that has a music theorist and a music historian whose research specialties are in jazz. We are therefore prepared to offer a well-rounded jazz education that should be very attractive to prospective and current students.
