Description and justification of the request

Description of specific change	Justification for this change
Added STAT 2823 Biostatistics as an option for completing the statics requirement. Removed NUTR 1213 because it was causing a bottleneck. It will still be required for the major, just not for the pre-PBHL requirements.	The advising team suggested adding STAT 2823 as another option to fulfill this requirement. Students will be able to move through the program smoother.

Lisa Kulczak (lkulcza) (01/09/24 3:18 pm): Updated courses not found due to common course numbering conversion; removed AFLS from the list of colleges impacted by proposed changes.

Michelle Gray (rgray) (01/11/24 6:40 am): Rollback: Additional changes are needed to pre-PBHL requirements, per conversation with Dr. Sullivan.

Lisa Kulczak (lkulcza) (02/02/24 2:57 pm): Correction to add AFLS back to workflow; erroneously removed by me earlier. ATTENTION REGISTRAR: Please add AFLS Dean approval back to workflow between steps 7 and 8.
