Program Goals and Objectives

Program Goals and Objectives

NA

All B.M. students complete a core music curriculum of multiple courses (64 credits) in music theory, aural perception, music history, and piano proficiency. These courses provide students a basic set of tools and vocabulary to communicate about music. These courses also introduce students to paths of exploration and understanding within individual musical works and entire repertoires.

These courses along with 24 concentration credits aim for musical literacy, solo and ensemble performance skills, development of aural skills, understanding of a broad repertoire, attainment of analytical skills, and understanding of music history.
