Program Requirements and Description

Requirements

Stage I: Pre-Communication Sciences and Disorders (PCDIS)

All students declaring a major in communication **sciences and** disorders are accepted as tentative candidates to the undergraduate program **and** ~~and~~-assigned the pre-communication code - PCDIS.

The PCDIS program includes:

Complete all program pre-requisites courses.

Obtain a minimum cumulative grade-point average of 3.0 on all college level coursework.

Complete the following courses with a "C" or better: [ENGL 1013](#) and [ENGL 1023](#),[MATH 1203](#) or equivalent, and [COMM 1313](#).

Obtain passing scores on the *Core Academic Skills for Educator: Math, Reading, and Writing* sections of the Praxis Core Exam.

Students who do not meet admission criteria for the ~~B.S. B.S.E.~~ degree program in communication **sciences and** disorders in any given year may reapply in subsequent years.

Description and justification of the request

Description of specific change	Justification for this change
---------------------------------------	--------------------------------------

Description of specific change	Justification for this change
Change the name of degree to Communication Sciences and Disorders and the degree designation to B. S.	There is an increased emphasis on science and research in the fields of speech-language pathology and audiology. The changed title of the major and name of the degree reflect the educational and professional standards of the field with which our bachelor's degree is aligned. These proposed changes are also consistent with the titles of majors and degrees at peer institutions. These changes will more effectively reflect the educational preparation of our students and be beneficial as they apply to graduate and professional schools.
