The University of Arkansas' teacher preparation programs adhere to the Code of Ethics of the Education Profession as established by the National Education Association as described in <u>NEA Code of Ethics</u>, <u>Arkansas Division of Elementary and Secondary Education Code of Ethics</u>, as well as discipline specific codes of ethics and standards found in program handbooks. Violation of these principles may result in probation, suspension, or dismissal of the internship as described:

Any incident of ethical misconduct or concern will be documented by the faculty member(s), discussed directly with the student and their mentor, and referred to the program's coordinator or supervising faculty. It may also be reported to the Teacher Candidate Professional Review Committee.

The Teacher Candidate Professional Review Committee evaluates the concerns and recommends a course of action, which may range from a zero score on the academic and/or internship work, a failing grade for the course, probation, up to dismissal from a teacher education program.

Any candidate may be suspended by a Teacher Education Program Coordinator for extreme, unforeseen circumstances such as endangerment of students or others, disruption of schools or classes, felonious behaviors, or ethical violations (i.e. Arkansas Code of Ethics, Code of Student Life). Such suspensions will be referred to the Teacher Candidate Professional Review Committee for review and may become permanent.

The Program Coordinator, in consultation with the Teacher Education Professional Review Committee and the Dean's Office for Academic and Student Affairs in the College of Education and Health Professions, has the authority and responsibility to dismiss a student from the teacher education program for unethical or unprofessional behavior and/or not recommend the student for licensure.

More detailed guidelines about the policies, supports, and other requirements are provided in the program's handbook, as well as on the Office of Teacher Education website or the Razorback Educator Development Hub (RED Hub) or the Teacher Education Teacher Education Support page. Students who have been dismissed on the basis of unethical or unprofessional conduct may appeal the decision following the procedures outlined under the Student Grievances and Appeals section of the Undergraduate Catalog of Studies.

Why is the Program

needed if offered at

other institutions?

Students are opting for degrees that offer a career path in four years. Faculty and administration in the College of Education and Health Professions believe that a four-year humanities program in pedagogy, content, and field experiences will lead more students into choosing teaching as a career and fill the shortages we have across the state with professionally prepared teachers.
