Program Requirements and Description

Requirements

Admission to the Graduate Certificate program: Applicants must meet university requirements for admission to the Graduate School as non-degree-seeking, but certificate-seeking students, and must have a master's degree in one of the three following fields: Education, Educational Leadership, or Special Education.

Requirements for the Graduate Certificate in Arkansas Curriculum/Program Administrator: The Arkansas Curriculum/Program Administrator Graduate Certificate requires 15 graduate credit hours beyond an earned master's degree. To receive the graduate certificate in Arkansas Curriculum/Program Administrator, candidates are required to have a valid teaching license. The program of study includes 15 credit hours in a specialization that has not been covered by the candidate's previously earned master's degree. Reviewer Comments

Alice Griffin (agriffin) (11/17/20 1:11 pm): Revised approval dates in LON. It is too late to complete campus approval in time for the March BOT meeting. Adjusted dates for the May BOT meeting. It is still possible for the inactivation to be approved by fall 2021. However, the change may not appear in the catalog.

Lisa Kulczak (lkulcza) (11/30/20 12:50 pm): There is currently one student active in this certificate program.
