Letter of Notification

A Letter of Notification is required for programmatic and organizational changes that do not require prior review by the Coordinating Board unless requested. The Letter of Notification with supporting documentation must be submitted to ADHE by the established deadlines. All changes in existing programs/units or requests for new programs/units may be approved by the ADHE Director for immediate implementation and must be included on the agenda of the next scheduled Coordinating Board meeting. This form sets forth the relevant criteria and compliance procedures for institutions submitting letters of notification.
