How will students in
the deleted program
be accommodated?

Current students will be officially notified and allowed to finish out the program. We have created a custom plan for each one and committed to offer the classes such that all will be completed (if they choose to continue) by Spring 2025.

How will funds from
the deleted program
be reallocated?

The other concentration in this degree will be able to utilize remaining funds in a way that supports the overall degree program.

Deactivation

Justification for this
request

This concentration has suffered from low enrollment for years. Further, this specific concentration does not have the market viability is used to. The resources to maintain this concentration (e.g., instructor needs, accreditation needs) outweigh the ability for us to deliver this to such a small student number.

List institutions in
Arkansas offering
similar programs

Currently, in Arkansas, ASU, UCA, and UAMS offer CCNE-accredited DNP programs; one program in Oklahoma, and two in Tennessee offer the DNP. Arkansas has no ACEN-accredited DNP programs.

List institutions in the
surrounding region

offering similar
programs

Currently, programs in the following states offer CCNE-accredited DNP programs:

Tennessee (8), Missouri (7), Oklahoma (1), Kansas (4). There are two ACEN-accredited programs offered in Tennessee, and one in Oklahoma.

List institutions in the
nation offering
similar programs

Currently, there are approximately 280 CCNE-accredited DNP programs offered in the United States. There are currently 11 ACEN-accredited DNP programs nationally.

Why is the Program
needed if offered at
other institutions?

DNP programs differ in scope. While other programs in the state offer preparation for advanced practice nurses at the master's level, we are only one of two institutions in the state to offer a post-BSN program of study that will lead to the DNP degree with preparation as an advanced practice nurse. The program also affords MSN-prepared nurse practitioners opportunity to pursue the DNP regardless of area of specialty. Many DNP programs offer only the MSN-DNP option. Furthermore, numerous programs are offered online; however, many are not.

Reviewer Comments

Alice Griffin (agriffin) (09/19/22 10:04 am): ATTENTION REGISTRAR: Please remove the Undergraduate Council from the approval workflow.

Alice Griffin (agriffin) (09/21/22 11:27 am): Removed LON. It is not necessary for concentrations, which only require campus approval.

Alice Griffin (agriffin) (09/21/22 11:48 am): The other concentration, Family Nurse Practitioner will remain, along with the overview requirements for DNP. Students enter each program with a different level of preparation. Therefore, both CIM blocks will be needed to serve the program.

Gina Daugherty (gdaugher) (09/21/22 3:18 pm): Removed Undergraduate Council from workflow. Added last admit term of 1229 to the Academic Plan table.

Matthew Ganio (msganio) (10/18/22 11:14 am): Changed "no new students admitted after" to Spring 2023 per program request
