Program Progression Expectations and Dismissal Policies

Students must maintain a 3.0 GPA in the Counseling M.S. program. In order to qualify for Arkansas Counseling Licensure, students must earn a grade of "A" or "B" in all required courses. Should a student earn a "C" or lower

in a course, the student is allowed to take the course one additional time to earn the required grade of "B" or higher.

Students are expected to adhere to the current American Counseling Association (ACA) Code of Ethics throughout their program of study, including during all courses and practicum and internship field experiences. In addition, students are evaluated on their adherence to the ethical code as well as on professional characteristics (PCR) outlined in the M.S. of Counseling Student Handbook. Should a student violate the ACA code of ethics or receive a negative evaluation on their PCR reviews, the student will be referred to a student remediation or retention committee depending on the severity of the violation. Students can be dismissed from the program if they fail to comply with remediation or retention committee directives. More detailed information about the process can be found in the Student Handbook at cned.uark.edu.

Prior to enrollment in [CNEC 5343](#) Counseling Practicum, all students **must are expected to** complete a **Federal-level** background check in order to be approved for site placement. ~~Background checks can be completed through the students' practicum sites, through the Office of Teacher Education at the University of Arkansas (School Counseling) or through a partnering company, Courthouse Concepts, that provides background checks.~~ Students are **required expected** to have a child maltreatment central registry ~~check as well as a Federal Background~~ check. **Some placement sites will also require a drug screening as well. Drug screens and background checks may affect site placements, eligibility for licensure, delay students' progress toward the degree, and/or result in dismissal from the program.**

~~Some placement sites will also require a drug panel as well.~~
