Candidacy Exam

Students will be required to take a candidacy examination in the summer following the second year coursework as a requirement of the Ph.D. program. The exam will cover the students' major and minor content areas as well as research methods. Successful completion of all parts of the candidacy exam are required to begin dissertation research.

Students must complete a minimum of 72 graduate credit hours beyond the bachelor's degree and 42 graduate credit hours beyond the master's degree. For students who apply to the degree program without a master's degree, a minimum of 11 additional credit hours in consultation with the Ph.D. coordinator will be required to fulfill the full degree requirements to include approved graduate courses. Additional hours may be assessed in individual cases to meet specific coursework deficiencies.
